DETAILS & DESCRIPTION

Defence Housing Enclave (DHE) Sargodha

Defence Housing Enclave (DHE) Sargodha is a premium residential development envisioned to redefine modern living in Sargodha. Spread across 24 acres of strategically located land, the project has been meticulously planned to offer residents a secure, comfortable, and future-oriented lifestyle. Combining contemporary urban planning with high-quality infrastructure, DHE Sargodha is designed to meet the growing demand for a well-organized and family-friendly community.

The society features a gated and secure environment, providing residents with peace of mind through controlled access and dedicated security measures. Wide carpeted roads, modern infrastructure, landscaped surroundings, and thoughtfully planned residential plots create an atmosphere that promotes convenience, comfort, and community living.

DHE Sargodha has been developed with a vision to offer more than just residential plots—it aims to provide a complete lifestyle experience. Residents can enjoy access to essential facilities and modern amenities that enhance everyday living, making it an ideal destination for families seeking a balanced and fulfilling lifestyle. The project's focus on quality development, sustainable planning, and long-term value makes it a promising choice for both homeowners and investors.

One of the key highlights of the project is its affordability and flexible payment plans, allowing individuals from various backgrounds to invest in their future without financial strain. Whether you are planning to build your dream home, secure your family's future, or invest in a rapidly developing real estate opportunity, DHE Sargodha offers a compelling proposition.

With its prime location, modern infrastructure, secure environment, and commitment to excellence, Defence Housing Enclave Sargodha stands as a symbol of progress and modern community living. It is a place where residents can enjoy a higher standard of living while benefiting from the growth potential of a well-planned residential destination.

Landlink Marketing

Landlink Marketing (Private) Limited was the brainchild of a business graduate young corporate employee, Muhammad Sarfraz. He is a multi-talented, multinationals experienced professional, who served different multinationals for 15 years, Warid Telecom as an Area Sales Manager, United Bank Limited as a Group Sales Manager, Zameen.com as a Business Development Manager, and Trango Developers as a Head of Sales and Marketing. People who want to sell their properties do not have any proper channel where they can present their properties with full of confidence that they will get definite buyer, old fashioned property dealers write down the property on a writing pad and waiting for buyers. Keeping in mind this, Landlink Marketing get started to serve real estate buyers, sellers & investors in a very modern way, collect leads for them through different marketing channels, follow up and close the deal in very professional manners.
