DETAILS & DESCRIPTION

Al Ghani Garden Phase 7 - TMA Approved Investment Opportunity

Al Ghani Garden Phase 7, a prestigious housing project by Al Ghani Developers, has been officially approved by the Town Municipal Administration (TMA) under Approval No. **LGU50/64**. This landmark development offers an exceptional investment opportunity in Lahore's thriving real estate market, with residential plots available on convenient installment plans.

Ideally located on **Bhaini Road**, the project enjoys excellent connectivity through both **Ring Road** and **GT Road**, ensuring easy access to all major parts of the city.

Residents will also benefit from proximity to Lahore's key transportation networks, including the **Orange Line Metro Train**, **Metro Bus Service**, and **Allama Iqbal International Airport**, making daily commuting and long-distance travel fast, convenient, and hassle-free.

CEO MESSAGE

Al-Ghani Developers, we believe that true progress is measured not only by the communities we build but also by the environment we nurture. Our Green Living Campaign is a reflection of this belief: a long-term commitment to creating a balance between modern development and nature. Through the plantation of 1 million trees, along with the introduction of Green Roofs and the development of Miyawaki Forests, we aim to build communities that breathe sustainability, inspire responsibility, and contribute to a cleaner, greener Pakistan. These initiatives are not just about enhancing landscapes; they represent our dedication to cultivating awareness, care, and a lasting legacy of environmental stewardship for future generations. We envision a future where every project under Al-Ghani Developers stands as a symbol of harmony between people and the planet, where sustainable living becomes a shared value, not an option.

Muneeb Aleem Awan
CEO AL GHANI DEVELOPERS
