CEO MESSAGE

Gulberg Apartment Homes is one of my greatest achievements in the real estate sector. I was passionate at the start of this project when I took charge of it. By the grace of the Almighty, People know me due to my 32 years of work in the construction field. Now I have invested time and energy into this project, and I have given my hundred percent. Today, I have delivered this amazing project to the plot owners and residents. I hope Gulberg Apartment Homes will be the best project for Sargodha City. Earlier, I developed Shareef Garden and delivered it timely to the residents of the town. My motive is to provide basic facilities to the common people within the range of their monetary funds. I would like to thank every customer, resident, and investor who trusted me and my team. Regards, Malik Khizar Hayat Awan Chairman of the Shalimar Group of Companies
